

# Miracles in the Ministry of Dr. T.D. Prasanna Kumar

## RAISING THE DEAD

On six different occasions God has raised dead people in the ministry of Dr.T.D.Prasanna Kumar. One among the six miracles is mentioned here for the glory of God.

In one of the crusades there were some thousands of people gathered to listen to the Word of God. Meanwhile in the RIMS hospital a child of the age of 4 years was dead because of some disease. After the death of the child , he was discharged from the hospital and the body was being carried home.

At that time the relatives who were with the family of the dead child suggested that the body be brought to the crusade where Dr.T.D.Prasanna Kumar was preaching the Word. As the God's servant was about to take mike to preach, the body along with the weeping family members reached the stage. The Spirit of the Lord came very powerfully on Dr.T.D.Prasanna Kumar. While thousands of people were watching the dear Lord performed a very great miracle by bringing back to life the dead child in answer to the prayer of his servant. All glory be to our dear Lord.

## CREATIVE MIRACLES

There was a young lady by name Seema. By birth reproductive system was absent in her body because of which she was not eligible for married life. When Dr.T.D.Prasanna Kumar was in a hotel in Guntur, this young lady came and was sobbing because of this very great problem. Because of her problem her younger sister also could not marry since she has to wait till her older sister gets married.

At that time Dr.T.D.Prasanna Kumar prayed with great burden that a miracle should happen. Our dear Lord who is EL SHADDAI performed the greatest miracle and the uterus, fallopian tubes and ovaries were formed in her lower abdomen. Today she is married and also blessed with children. All glory to our dear Lord.

approached Dr.T.D.Prasanna Kumar for personal prayers. He laid his hands on that sister and prayed with great burden. The man of God prophesied that the tumour would disappear. She went back and had comfortable sleep. During her sleep a bright hand came upon her and touched her abdomen. Suddenly the abdomen became flat and when she went for scanning the next morning it was proved that the tumour was not there. The name of our Lord Jesus was glorified .

### **SEX WORKERS WERE SAVED**

Some years back there were five sex workers in one of the brothel houses in Mumbai. All of them were between 16 and 20 years of age. When they were students of seventh grade they were forced into prostitution by some anti-social elements. One day they heard the Word being preached on Television by Dr.T.D.Prasanna Kumar. They were terribly afraid when they came to know that they were sinners. But soon after the programme was over they went back to live in the same kind of life. Again on the next Tuesday without their knowledge they tuned to the same channel and at the same time. To their surprise they saw the same person preaching and they became panicky on hearing the Word. But on the fourth week they took a note of the phone number shown on the television. They were so touched by the Lord's Word and they decided to come out of their sinful living. They came to Kadapa from Mumbai and shared their testimony as to how they were touched by the Word of God and how the Spirit of the Lord worked on them. Now they are free to serve the Lord.

### **ALCOHOLIC DELIVERED**

There was a man by name Raju who was addicted to alcohol for more than 20 years. This man wanted to come out of that habit but could not come out. Since all the income of this business man was being wasted because of the habit he began to try hard using different methods. He was not a Christian. He constructed buildings for public utility thinking that he would come out of the problem. One day he was passing by the way of Krupa church where Dr.T.D.Prasanna Kumar was pastor. Though he didn't like Christ or the church, some invisible force began to work on him and he came and sat in the church building. Worship was going on. Everything seemed to be new to him. As the worship was going on suddenly he felt a jerk in his body and a great power of the Lord fell on him and he got complete deliverance. He started attending the church from that time onwards. Praise be to the never failing name of our Lord Jesus Christ.
